9. My Voice II

Continued from 8→ And then my voice wouldn't come out. Graduation ceremony Testimonial dinner Karaoke Drinks afterward and I was broken. I provoked my voiceless state. Even though before, until May 23rd up until then my voice endured who knows how many hours of karaoke without a break. Now, when I sing it comes out painfully. Alas! I yearn for the days when I could go out singing by myself from past 11 around noon until after 4 in the morning of the next day... ♪

By the way that's too much singing...

And so, "just as always", that was my tale of realizing an extreme state.
